BIKE ROUTE

Santa Vittoria

Description

A sunny day is the perfect time to organize a bike trip towards the **Nuragic Sanctuary of Santa Vittoria**. The **Enclosure of the Celebrations** is the most emblematic place of the complex, so much so that its observation has prompted archaeologists to speculate that the sanctuary was built to bring together all the tribes. In fact, inside the enclosure can be found the kitchen, the porch for the faithful and the huts for the meetings.

Reaching the Hut of the Chief you can see the holy well: going down the stairs you will be immersed in the atmosphere of the cult of the water, life-giving element for prehistoric populations. The **Nuragic Well** is constructed in such a way so as to allow the lunar rays to cross the tholos during the solstices: when they encounter the water, they make it fruitful, regenerate it and purify it.
